

Fareport Training Organisation Limited

Safeguarding/Child Protection and Prevent Summary Statement

Promoting the safe learner • providing a safe environment for all

Fareport Training Organisation Limited recognises the importance of safeguarding learners, employers, staff and visitors in its work and activities. This can only be achieved through partnership working with all learners, employers and key partners to ensure that the requirements are continually reviewed and adjusted to meet the needs of the organisation.

For the purposes of our Safeguarding, Child Protection and Prevent Policy and this statement the organisation defines;

Children – young people under 16

Young people – aged between 16 and 18

Adults – aged over 18

In order to protect the learners working with us we recognise that we need to provide a safe learning environment, free from health and safety risks, free from bullying and harassment and promoting good practice in all of our work. As part of this we are committed to informing and updating employers and partners, sharing good practice and constantly reviewing our provision, seeking development through learner and employer voice feedback.

We are committed to reviewing the developing legislation around Safeguarding/Prevent and proactively responding to the demands of these through positive actions and robust risk assessment to ensure that we are promoting a safe environment.

All staff receive regular update training on Safeguarding/Prevent and are encouraged to feedback in to the development of our policies and practices to ensure that we embrace the safety of our learners, employers and staff at all times
